Place, Date of Issue:  
**Seoul, 9 December 2019**

For DNV GL Business Assurance:

**Jang Sup Lee**  
Country Representative

<sup>1</sup> The human right impact assessment checklist used is developed for this assessment. The checklist is mainly based on the human right impact assessment checklist published by National Human Right Commission of Korea and more relevant requirements are added such as hiring practice, agreed wage. Discrimination parts are integrated to avoid repeating questions.

<sup>2</sup> The result is the score given in section of 'operating state-owned enterprise' in Human right impact assessment checklist.

Lack of fulfilment of conditions as set out in the Service Agreement may render this statement invalid. This Statement shall not be construed as a certification and is issued on an "as is where is" basis. Details of assessment should be referred to the assessment report and finding list provided. The statement only shows current levels of conformance of the captioned organization with the assessment criteria. DNV GL have complied with the DNV GL Code of Conduct during the assessment and maintained the independence. The assessment is conducted based on the assumption that the documents provided by the facility are prepared in good faith and the statements made by the facility representatives during the interview are true. DNV GL expressly disclaims any liability or co-responsibility for any decision that a person or an entity may make based on this Statement.
